Woodco's Annual Meeting

Come and enjoy refreshments with us, get an update on what has happened at Woodco over the past year, put your name in a drawing for cash prizes, and vote for your Woodco Board and Credit Committee members on Friday, March 2. If you are in the office between now and March 2 you may go ahead and vote and get your name in early for the drawings that will take place throughout the day.

We look forward to this every year because it gives us the opportunity to see some of our members face to face that we typically deal with through the mail or over the phone and we hope that you will join us.

Check out Woodco's low loan rates

Woodco watches the rates of other local credit unions and banks and have noticed the rates slowly increasing. At this time we have decided to keep the same low rates we have been offering.

- **Car Loans** as low as **2.5%**
- **Unsecured Loans** up to \$15,000 per member as low as **5.5%**

You can now apply for loans online from our website.

Call the office for more information on available loans and the rates you qualify for.
